3/27/20 Special Meeting

Board of Health
Stephen made a motion to amend the previous motion to write an order which mirrors Governor Bullock's order and include the Sheriff's Office and Glendive Police Department will assist the Health Officer in carrying out the order. Justin seconded the motion. All were in favor, none opposed.

Regroup message:
Update on COVID-19 guidance. Montana Governor Bullock has issued a stay at home executive order, designating essential functions effective Saturday March 28 at 12am. In addition to the previous order, all nonessential businesses including but not limited to; fitness centers, gyms, salons and tattoo and churches businesses are to be closed. All remaining businesses open to the public must enact proper social distancing measures, six feet for both employees and members of the public.
For more information, please visit dawsoncountymontana.com website or call Dawson County Health Department at 406-377-5213.

Surge planning- the army corp. of engineers is coming to Montana and will be surveying buildings to see how they might be utilized and retro fitted for medical use. GMC has planned to use the Sacred Heart School however, Mary Jo stated there may be better options.

Geri suggested we put information out about what you can do during this stay at home order and that Grocery stores are not affected.
