Event Requests:

The next Unified Health meeting to work on the Logistcs.

The board was in favor of moving forward with community testing. This would be discussed further at another meeting.

We will issue a press release to the public.

Testing will show a point in time, positive or negative. Right now, do it as a drive through event.

Do an in-house screening and then screening after the event. Maybe we can do this if this is a possibility.

Discussion:

DES and the National Guard are offering test kits for community wide testing.

Community Surveillance Testing.
