PART I. GENERAL DESCRIPTION AND INFORMATION

1. Name of proposed development _____________________________________________________________

2. Location: City and/or county
   Legal description: _______ 1/4 ________ 1/4 of Section _______ Township ________ Range ________

3. Is concurrent review by local governing body and DEQ requested?  Yes ________ No ________

4. Type of water supply system
   _______ Individual well
   _______ Individual cistern
   _______ Individual surface water supply or spring
   _______ Shared well (2 connections)
   _______ Multiple-user water supply system (3-14 connections and fewer than 25 people)
   _______ Service connection to multiple-user system
   _______ Service connection to public system
   _______ Extension of public main
   _______ New public system (15 or more connections or serving 25 or more people)

5. Type of wastewater treatment system
   _______ Individual wastewater treatment system
   _______ Number of bedrooms (3 bedrooms will be used if unknown)
   _______ Shared wastewater treatment system (2 connections)
   _______ Multiple-user system (3-14 connections and fewer than 25 people)
   _______ Service connection to multiple-user system
   _______ Service connection to public system
   _______ Extension of public main
   _______ New public system (15 or more connections or serving 25 or more people)

6. Name of solid waste (garbage) disposal site ____________________________________________________

7. Nondegradation
   Yes_____  No _____ Is information included which substantiates that there will be no degradation of state waters or that degradation will be nonsignificant?
   Yes_____  No _____ If not, have you enclosed an Application to Degrade?

8. Descriptive Data
   _______ Number of lots or rental spaces
   _______ Total acreage in lots being reviewed
   _______ Total acreage in streets or roads
   _______ Total acreage in parks, open space, and/or common facilities
   _______ Total gross acreage of subdivision
   _______ Minimum size of lots or spaces
   _______ Maximum size of lots or spaces

9. Indicate the proposed use(s) and number of lots or spaces in each.
   _______ Residential, single family
   _______ Residential, multiple family  Number of units _______
   _______ Type of multiple family structure (e.g. duplex) ________ Number of units ________
   _______ Planned unit development  Number of units ______
   _______ Condominium  Number of units ______
   _______ Mobile home park  Number of units ________
   _______ Recreational vehicle park  Number of units ________
   _______ Commercial or industrial
   _______ Other (please describe) _______________________________________________________
10. Provide the following information regarding the development.

Current land use ____________________________________________________________

Depth to ground water at the time of year when water table is nearest to the natural ground surface
within the drainfield area __________________________

Depth to bedrock or other impervious material in the drainfield area __________________________

Existing zoning or other regulations ____________________________________________

11. Include the following attachments, if applicable.

Yes _____  NA _____  An overall development plan indicating the intent for the development of the
remainder of the tract, if a tract of land is to be subdivided in phases.

Yes _____  NA _____  Drafts of any covenants and restrictions to be included in deeds or contracts
for sale.

Yes _____  NA _____  Drafts of homeowners’ association bylaws and articles of incorporation, if
applicable.

(Submitting a draft copy of a homeowners’ association bylaws and articles of incorporation is adequate
for DEQ to initiate and complete its review of sanitary facilities, but a copy of the fully executed
documents must be submitted before DEQ can issue final approval.)

I understand that a person may not dispose of any lot within a subdivision, erect any facility for the supply of water
or disposal of sewage or solid waste, erect any building or shelter in a subdivision that requires facilities for the
supply of water or disposal of sewage or solid waste, or occupy any permanent buildings in a subdivision until the
reviewing authority under the Sanitation in Subdivisions Act has issued a certificate of subdivision approval
indicating that the subdivision is not subject to sanitary restriction, unless the subdivision is exempt from the
Sanitation in Subdivisions Act under 76-4-125, MCA. I understand that a person may not construct or use a facility
that deviates from the certificate of subdivision approval until the reviewing authority has approved the deviation.

I designate __________________________________________________ as my representative for purposes of this
application.

Designated representative, if any (e.g., engineer, surveyor)

Name: _____________________________________________    Phone:__________________________

Address: ______________________________________________________________________________

Company, Street or P.O. Box, City, State, Zip Code

Owner

Name: _____________________________________________    Phone:__________________________

Signature of owner __________________________    Print name of owner __________________________

Address : ______________________________________________________________________________

Street or P.O. Box, City, State, Zip Code

Date: ______________________________________________________________________________    Phone: __________________________

(The statement must be signed by the owner of the land proposed for subdivision or the responsible officer of the
corporation offering the same for sale.)

Notice: The statutory time frame for each review is 60 days. Resubmittal of denied or incomplete applications
restarts the time frame. The estimated time for the DEQ to act on a complete subdivision application is 10 days for
subdivisions reviewed by a local department of health under contract to the DEQ. Local health departments review
subdivisions within 50 days of receipt of a complete application. During non-peak times, a review may take 25 to
45 days. For peak times, the review may take 45 to 60 days.
